

"Always do the right thing. This will gratify some people and astonish the rest." -Mark Twain

*Women are Angels - And when someone breaks our wings....
We simply continue to fly.....on a broomstick...
We are flexible like that*

Brian J. Owens

Sadly, on September 15, 2010, the darling husband of Margaret passed away peacefully with his family at his bedside at Lankenau Hospital in Philadelphia of congestive heart failure. He was a devoted father to his sons, Karl and his fiancée Linda and Neal and his wife Dawn. He also leaves two grandchildren whom he adored, grandson Bradley and his girlfriend Stephanie and granddaughter Audra.

Brian and his family immigrated to the US in 1966 and held a position in Boeing Vertol Division, Morton, PA. Later he became Director of Engineering at Wyeth Laboratories in Devon, PA leaving in 1997 to pursue a private consulting company.

He attended the University of Liverpool, the University of Belfast and Villanova University where he earned a master's degree in both electrical and mechanical engineering.

Funeral and burial services will be private. Friends are invited to greet the family at the home of his son, from noon to 4 pm, 4805 Lancaster Pike, Greenville 19807 on Sunday, September 19th. Light refreshments will be served.

In lieu of flowers, the family suggests contributions to the American Heart Association, 1501 CashoMillRoad, Suite 1, Newark, DE 19711.
